

*Some suggestions for useful resources on....*

# Climate Change

**Communities for Climate Protection – New Zealand** has produced a really excellent short DVD

- ‘Climate Change: We can make a difference’. A nine minute DVD on the science of climate change and the implications for New Zealand

For more information on how to purchase copies of the DVD, which comes with a set of resources, follow this link to the Communities for Climate Protection – New Zealand Website: <http://www.iclei.org/ccp-nz>

*And below is a list of some other good links.....*
